Candidate Onboarding

Consent for Proctoring

By proceeding to take this test, I hereby give my full and informed consent for the following:

1. I understand that this is a proctored assessment and I am required to undergo identity and environment verification before the test begins.

2. I consent to the use of my webcam and device screen to:
   - Capture my facial photo
   - Capture my identity document(s)
   - Record my handwritten signature
   - Periodically take photos during the test session
   - Record my screen activity if required

3. I declare that the identity information and documents submitted by me are true and correct. I understand that any impersonation or false representation will result in disqualification.

4. I acknowledge that any suspicious activity (such as looking away, switching tabs, or use of unauthorized devices) may result in test termination or post-test disqualification.

5. I authorize the test administrator to monitor, review, and store all captured data solely for the purpose of ensuring academic integrity and for audit compliance.

6. I understand that this data will be securely stored and used only for verification and anti-cheating purposes. I waive any claims arising from the capture of such data during the test.

By clicking "I Agree" below, I confirm that I have read and understood the above terms and voluntarily consent to be monitored throughout the test.
